

Newsletter Friday 4th May 2018

*This Terms Value
Friendship*

Dear Parents,

MEET THE NEW HEADTEACHER

To remind you that we would like to invite all parents to **Cake & Coffee**, on **Friday 11th May at 2.45pm**, for an opportunity to meet Mrs Slater, who will be joining the school as Headteacher in September. We hope you will make every effort to come along and welcome Mrs Slater to Cranham.

FOCS QUIZ AND CURRY NIGHT

A very special thank you to all Rachel Monro and her team (Nicki C; Anna C and Berry B) for organising the Friends of Cranham School Quiz and Curry night. Really pleased that the event has raised over £700. Thank you to all those who supported the event.

PARKING

Out of respect for our neighbours and the local community, please could we consider where we are parking at the beginning and end of the school day. In particular please could the gravel track that lies at the side of the school be kept free so that local residents can access it at all times.

THIS WEEK IN CLASS

Miss Meadows' class have been looking at descriptive sentences in English. In Maths Year One have been working on multiplication and Reception have been working on one more and one less. In the Afternoons they have been researching Van Gough and creating a final piece of work using different textures which we look forward to displaying next week. In science with Mrs Nolan the children have

been looking at eyes and people who help other who are visually impaired in the paralympics and will be continuing to explore our senses.

Mrs Hodges Class have been to Over Town Farm today to visit the lambs. This links in with their class text this term of The Sheep Pig in English and as part of their science, they looked at the growth and health of the lambs and watched the sheep dog round up the sheep.

Mr Hull's class have been working on writing book reviews and looking at angles and shapes in their maths. The Y6's have continued to work hard in preparation for their SAT's which will start the week beginning the 14th May. Homework for the whole class has been sent home today ready to be brought in on Tuesday.

PLEASE SEE BELOW FOR THIS WEEKS SPELLINGS

RSE

Following letters sent home previously, today we have been delivering Relationships and sex education to Year 4, 5 & 6. Year 4 girls have been learning about how our bodies change as we grow up and will be bringing home a pack to share with you with additional information. Year 5 and 6 girls and boys have been taught seperately on how our bodies change and will also bring leaflets home with information on puberty. The link used during this lesson is specifically for KS2.
